# Raka. Enkla. Tidlösa. Straight. Simple. Timeless.

**SE**  
ZACK har utvecklat en ny badrums-  
serie som heter LINEA med en form  
som är geometrisk, enkel och tidlös.  
Denna enkla form gör att den passar  
in i de flesta badrum.

Denna högkvalitativa serie LINEA är  
tillverkad i exklusivt 18/10 ädelstål.  
Den polerade ytan ger varje produkt  
en unik finish.

Den efterföljande spegelglanspolerin-  
gen ger varje artikel en övertygande  
finish.

ZACK®

**GB**  
With LINEA, ZACK has designed a  
bathroom series which internalises  
timeless, straightforward style with  
its reduced, geometric shapes more  
consistently than almost any other  
range. This reduction allows LINEA  
to integrate effortlessly into a wide  
variety of bathroom styles.

The high-quality LINEA bathroom  
accessories are manufactured from  
exclusive 18/10 stainless steel.  
A subsequent mirror gloss polish  
gives each article an impressive  
finish.

ZACK®

Med en formgivning reducerad till det väsentliga är inte  
LINEA badrumsaccessorier bundna till en speciell badrumstyp,  
utan integreras harmoniskt i många olika miljöer.

With a design that is reduced to the essentials, the timeless LINEA bathroom accessories  
are not tied to a prescribed bathroom ambience, but integrate themselves harmoniously  
into a wide variety of surroundings.
